4 STEPS TO A SUCCESSFUL LITERACY PROJECT

- 1 Order a Starter Kit.** You'll get a sample of each of the materials offered.
- 2 Contact your local schools.** Find out if the program is something that the school can welcome. Many schools find it to be complementary to their current curriculum. Most clubs take the project into the 2nd, 3rd or 4th grade levels.
- 3 Place your order.** All orders can be placed on the website or with a Mail-In Order Form.
- 4 Implement your program.** It works much like a Dictionary Project. Clubs give books, bookmarks, etc. to the students and introduce them to Rotary. For examples of successful programs, check out the Testimonials and Articles pages on the website.
